

Take AIM Coaching

6-Month Executive Coaching Program for C and V-Suite Leaders

Presented by Stephanie Cox and Angie Morgan

Real world leadership. Right now results.

As a leader, you are under more pressure than ever before to lead with impact, take on dynamic challenges, and navigate your team in a rapidly changing world.

You know your experience, paired with the right guidance, will position you for that next level and amplify your leadership success.

It's time to take AIM.

AIM isn't a traditional, academic coaching program. It's a cohort of high-achieving leaders. After all, you don't have time for theory - you want practical, lasting, get-results-fast guidance.

AIM pairs the best development practices with a group mastermind to help you amplify your talents and make lasting impact in your organization.

THE PROGRAM

If you're looking for a competitive advantage, AIM is it.

AIM is a 6-month, cohort-based program for C/V-Suite Leaders.

In AIM, you join a select group of individuals who will serve as your personal advisory board as you make critical decisions and aim for that next level. Your conversations and learning will be facilitated by proven, real-world executives: Stephanie Cox and Angie Morgan. They will serve as your coaches and advisors to prepare you for your ambition towards:

- A C-Suite or senior level position
- A corporate board position
- Recognized business thought leader

AIM PROGRAM FORMAT:

A 6-month learning journey

- (3) In-person, 3-hour sessions
- (3) virtual, 3-hour sessions
- Ongoing, 1:1 private coaching
- Peer-driven, mastermind learning

** All live sessions are in Houston*

Meet Your Facilitators

Stephanie Cox serves as a Director for both public and private Boards and knows what it takes to lead at the highest levels globally. Stephanie has held positions as the Executive President, Global Operations and CEO Americas at Wood Group, CHRO and President of North America and Asia at SLB. As a trusted advisor and executive coach, Stephanie supports companies and executives as they navigate complex challenges and helps them bring out their best performance.

Angie Morgan is a Marine Corps Veteran, NY Times Best-Selling Author, and holds an MBA from Michigan's Ross School of Business. Angie's worked inside the world's best businesses and knows how to help you discover the missing link that will accelerate your success. As an entrepreneur, executive coach, and professional speaker, Angie helps leaders think creatively, lean into discomfort, and drive results.

PROGRAM THEMES

AIM amplifies how to break through to a new level, opportunity, or way of leading.

Stephanie and Angie have first hand experience on what Board Directors, C-Suite Executives and HR Leaders are looking for when entrusting others with top-level success. This insight informs and shapes the AIM learning journey.

Key program topics include:

Building Executive Presence

- Communicating confidence from the inside out
- Making a statement in whatever room you're in

Executing High-Stakes Decisions

- Growing comfortable leading through uncertainty
- Gaining team alignment on high-stakes decisions

Developing an Executive's Schedule

- Finding a rhythm that allows you to thrive
- Creating time to manage internal and external stakeholder relationships

Delivering Holistic Leadership

- Creating boundaries so you can maintain your energy level
- Showcasing your authentic, original leadership style

Getting Board Ready

- Building your board-level resume
- Finding that right boards that serve your career needs

Communicating a World Class Story

- Developing and sharing your vision
- Using storytelling techniques to move hearts and minds towards action

The curriculum offers practical how-to's that all AIM leaders can implement immediately.

THE MASTERMIND BENEFIT

You know how to network. Your challenge is you don't have time to acquire a network that's hand-selected for the express purpose of helping you get ahead.

That's the value of AIM.

Your AIM cohort will be the Mastermind you're looking for:

- Professionals from different companies and industries who lead at your level
- On-demand access to your colleagues, as well as Stephanie and Angie, so urgent challenges are addressed immediately
- Direct access to Stephanie and Angie for addressing urgent challenges
- New perspectives and thought leadership to complement your expertise
- A refreshed personal advisory board with relationships that extend long after your formal AIM experience

The Mastermind will be ongoing throughout your AIM experience: during live and virtual sessions, and on-demand whenever you need to leverage the talented cohort that you're a part of. One of the greatest advantages you'll discover through AIM is the champions you now have in your corner cheering you on as you reach new heights.

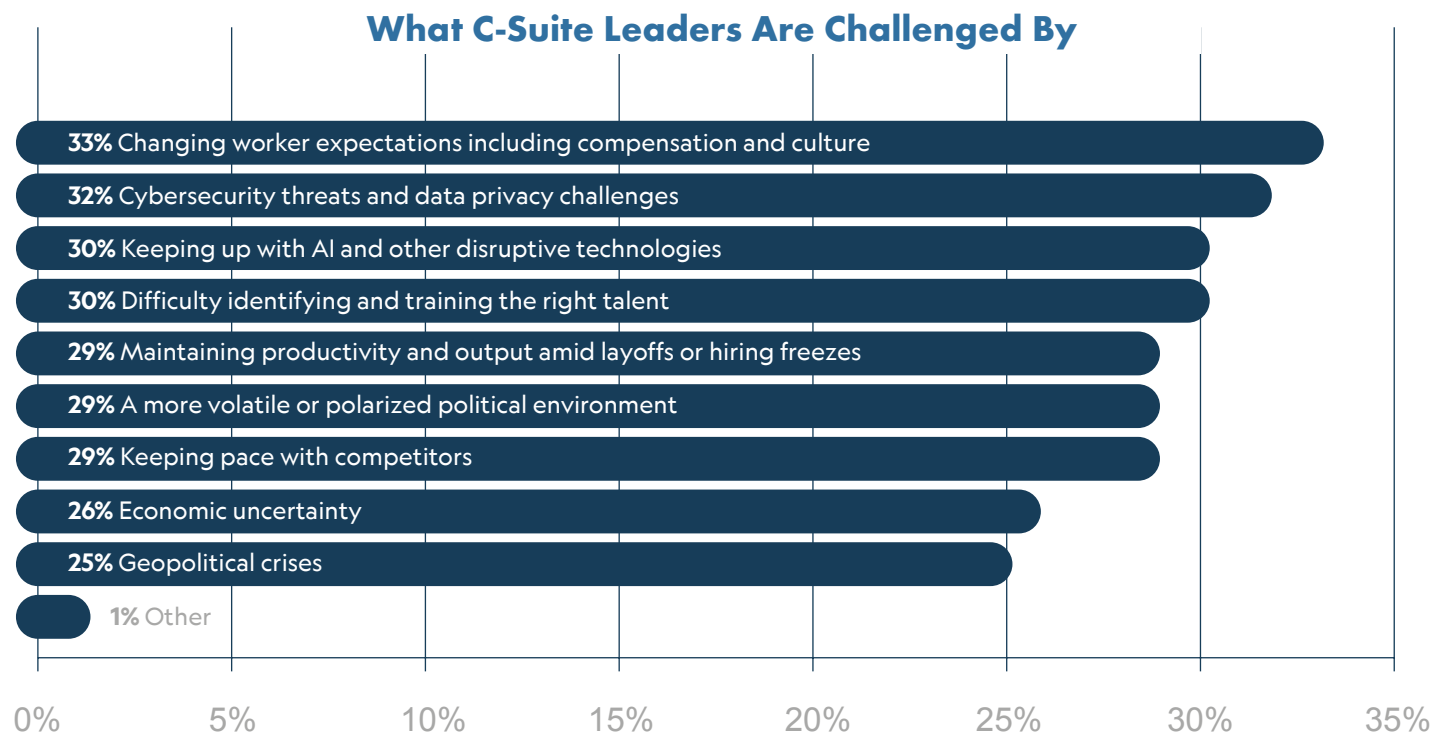

AIM ADDRESSES BUSINESS NEEDS

Beyond preparing you for advancement, AIM equips you with the essential frameworks to ensure you're ready to lead your organization through the critical challenges businesses face on a global scale.

Hundreds of top Chief Executive Officers around the country cite the following as their top company challenges:

Since AIM consists of a cohort of leaders from different companies, benchmarks and best practices will be easy to attain to help inform and guide your decision making.

1:1 Executive Coaching with both Stephanie and Angie:

Dates TBD

The AIM experience delivers exactly what high-performing leaders need – real-world insights, a curated mastermind of C-suite peers, and transformational coaching that challenges you to lead at your highest level. Stephanie and Angie don't just coach – they elevate. Through AIM, I sharpened my story, and became even more intentional in how I navigate complexity and lead with purpose. As a global industrial executive with CEO succession in my line of sight, AIM gave me the frameworks to enhance board readiness, strengthen high-stakes decision-making, and align bold strategic moves with core values. AIM isn't just a program – it's a career catalyst and, for me, a defining moment.

– Leader, CCO

The AIM Executive Leadership Development Program has significantly transformed my leadership approach, enhancing my strategic thinking and communication skills through practical examples and fundamentals. I learned to organize a high-performance schedule, enhance my executive presence, and problem solve on an organizational scale. The networking opportunities with fellow executives provided diverse perspectives that enriched my understanding of leadership challenges. Overall, this program has equipped me with the tools to lead effectively in a dynamic business environment, and I highly recommend it to any executive looking to elevate their skills.

I wasn't able to see my next steps. Angie helped me break down my mental walls, validate my thoughts and direction, and she served as a sounding board. I was promoted from Director to CMO and gained confidence in the boardroom and myself.
